

# SSNAP Blooms:

Nurturing Senior & Special Needs Dobermans

DOBERMAN RESCUE  
UNLIMITED INC.  
"Placing People and Dogs Together"

**Hans**

**Meet Hans**, a handsome 7-year-old senior boy with the energy level of a young pup!

Hans just wants to be on the move! He'd love to go on runs or a hike in the woods. Hans is good with the staff, meeting new people and enjoys off leash time in the yard. Hans would do best with a confident handler who has the desire and commitment to work on his basic obedience, energy level and build his confidence with enrichment activities.

Due to Hans's energy level, we cannot recommend a home with small children, dogs or cats.

Hans has occasional head tremors which can be stopped by offering him a treat as a distraction.

Hans needs a fresh start! If you are interested in adopting Hans, complete the online adoption application.

**Gibby**

**Meet Gibby**, an 8.5-year-old senior Doberman who is in search of a loving home! Gibby's previous owner surrendered him due to becoming homeless, and he is now looking for a new human companion to call his own.

Gibby has made great progress since arriving at the shelter but can still be leash reactive towards other dogs and strangers. He is best suited for a Doberman-savvy home without cats or children. Despite his challenges, Gibby has a playful side and loves to play with his ball and kongs.

Gibby is muzzle conditioned, which is an important tool for managing his behavior with strangers. With the right guidance and understanding, Gibby will make a loyal and loving companion. If you are interested in providing Gibby with a forever home, please consider adopting him. He has so much love to give and is eager to find his new family.

**Bolo**

**Meet Bolo**, a brave 7.5-year-old Doberman with a story of resilience. Bolo was found as a stray in New York and was transferred to DRU for care and a second chance at a loving home. When he was found, Bolo was suffering from heat stroke and had a seizure. Despite these challenges, Bolo has shown incredible strength and determination.

Bolo can be reactive towards other dogs and animals, and would do best in a single dog home. Additionally, Bolo suffers from an untreated infection that has left scarring and sores on all four of his feet. He's currently being treated for his skin issues under the direction of a Dermatologist and is being treated for Canine Dilated Cardiomyopathy.

To manage his condition, Bolo receives weekly medical baths. Despite his health issues, Bolo is a loving, playful and affectionate dog who deserves a chance at a happy and comfortable life. If you are willing to open your heart and home to Bolo, he will be forever grateful.

*We hope you can donate today to help keep these dogs happy  
& comfortable until they find their new forever homes!*

RAM COMPANIES

The **Senior and Special Need Advocacy Program (SSNAP)** provides for older Dobermans and those with medical or behavioral issues who can be shelter residents for a long time. These dogs are typically overlooked by prospective adopters and **SSNAP** allows them the care and time needed to find that special someone.

**SSNAP** dogs often have the added expense of medication, special diet, supplements, training, etc. **SSNAP** spotlights these dogs with the hope of ultimately finding a permanent home for each one. All **SSNAP** donations are used to provide ongoing, supportive care for these wonderful dogs.

Choose a **SSNAP** dog and send a monthly contribution for that dog's care. We suggest a donation amount that is comfortable for you. Or you can designate a one-time donation for a particular dog, or just to the dog that needs it most.

Participants will receive information and a picture of their sponsored dog. Any donations designated for a specific dog, which exceed care costs, will be used to provide for other dogs in the program.

All dogs are available for adoption and our goal is to see each dog find a home.

If the dog you have chosen to sponsor is fortunate enough to be adopted, we'll notify you and tell you the details.

I would like to contribute to SSNAP

Choose one of the following:

☐ A monthly contribution in the amount of \_\_\_\_\_ to care for \_\_\_\_\_.

☐ A donation in the amount of \_\_\_\_\_ to care for \_\_\_\_\_.

☐ A donation to the SSNAP General Fund.
