

Love

Is a Four-Legged Word

Become a Valentine
for a
Doberman in Need!

This Valentine's Day, skip the chocolates and roses—and give a gift that truly saves a life.

Dobermans are known for their deep loyalty, gentle hearts, and endless love. At Doberman Rescue Unlimited, we see it every day in the dogs who come to us scared, abandoned, or hurting—yet still ready to love again.

When you become a DRU Member, you become part of their forever story.

Your membership is a promise of love

- It helps provide:
- ♥ Safe shelter and warm beds
 - ♥ Medical care and rehabilitation
 - ♥ Nutritious food and enrichment
 - ♥ Training, advocacy, and second chances

Be the reason they believe in love again.

Your support tells every Doberman in our care: You matter. You are loved. You are home.

This Valentine's season, open your heart—and your arms—to a Doberman who needs you.

♥ **Join our Membership Drive today** ♥

Because the most beautiful love stories begin with hope and end in forever.
